PRELIMINARY INJUNCTION ORDER

For the reasons given in the accompanying Memorandum Opinion, Plaintiffs’ Motion for a Preliminary Injunction (Doc. No. 21) is **GRANTED IN PART** as enjoining Rutherford County’s use of the “Filter System,” and **DENIED IN PART** in all other respects. Rutherford County is **ENJOINED**, pending trial, from using its “Filter System” to determine whether arrested juveniles shall be incarcerated in the Rutherford County Juvenile Detention Center pending a detention hearing, pending further order of the Court. Rutherford County is **ORDERED** to have a neutral factfinder determine whether the statutory requirements for secure detention are satisfied. To be abundantly clear, this means that before incarcerating a juvenile in the Rutherford County Juvenile Detention Center pending a detention hearing, a neutral factfinder must first determine that the juvenile fits into one of the categories in Tennessee Code Annotated § 37-1-114(c)(1)-(6), and then must determine whether subsection (7) applies. The parties are **ORDERED** submit a joint status report on or before **June 1, 2017**, on Rutherford County’s progress in implementing this injunction.

Defendants did not respond to Plaintiffs' request that the Court not require security for the issuance of the injunction, pursuant to Federal Rule of Civil Procedure 65(c), so the Court **ORDERS** that Plaintiffs are not required to give security at this time.

IT IS SO ORDERED.
